

The Three Legacies Health & Safety Guidelines

Current state guidelines will supercede the following when necessary

1. Whenever weather allows, we will meet outside on the church grounds. Bring your own chairs and observe social distancing requirements. Masks are optional, unless required by state guidelines.
2. Meeting format will be in a plastic protector or laminated. It should be sanitized before putting it away.
3. 7th Tradition Basket will be in the middle of the circle and handled only by the treasurer. Members can drop their donation in the basket.
4. When setting up chairs in a circle, maintain social distancing of at least 6 ft between chairs and entryway/exits.
5. Face coverings are required when indoors. If you do not wear face coverings, we offer the virtual meeting as an alternative.
6. If you are ill or have been exposed to COVID19, please do not attend the meeting. We will have an alternate zoom meeting as long as we are able to.
7. We are not currently holding hands at the end of the meeting. Instead, individuals can choose what to do during the closing. Examples: hug yourself, reach hands toward others, or wiggle fingers.
8. At the end of the meeting, when indoors, we will disinfect the church room, as well as any other surfaces that have been touched (i.e. door handles, light switches, etc).
9. We are each responsible for ourselves, so gently explain the policy of our group to anyone new or who needs a reminder. Offer the virtual meeting as an alternative to those not wishing to follow in-person group guidelines.

Enjoy our group. Keep it safe, healthy and welcoming to all!
